## DETAILED ACTION

### *Allowable Subject Matter*

1. Claims 1-10 and 12 are allowed for the reasons stated in the Office Actions of November 21, 2006 and April 17, 2007.
2. Claim 11 is allowed.

The following is an examiner's statement of reasons for allowance:

The references fail to teach, disclose, or suggest, either alone or in combination, the cross slider comprising a slot having an open end, and wherein the open end is open to the back side of the first housing; and the bearing tab is configured to be received by the bearing sleeve when the bearing tab is inserted into the bearing sleeve at the back side of the first housing, and wherein the guide tab is configured to be insertable into the open end of the slot and in combination with the rest of the limitations of the base claim.

Applicant's arguments, see Pages 6-7, filed September 17, 2007, have been fully considered and are deemed persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
